

Indian Society for Radiation Physics

Two-Day Workshop on

Radiological Aspects of Medical Physics (RAMP-2025)

22–23 September 2025

Dr. NGP Arts and Science College, Coimbatore

About the Workshop <p>The workshop aims to provide a comprehensive platform for students and young professionals in the fields of Medical Physics and Allied Health Sciences. The program features technical talks, live demonstrations, and interactive sessions to enhance understanding of radiation science and its applications in healthcare and industry.</p>	Program Highlights <ul style="list-style-type: none">✓ Technical talks by senior scientists with decades of experience in the nuclear industry✓ Demonstration of radiation monitoring instruments✓ Interactive quiz session for participants
Focus Areas <ul style="list-style-type: none">Basics of Nuclear PhysicsRadiation Detection and MeasurementAcceleratorsReactorsRadiation BiologyRadiological SafetyRadioactive Waste DisposalTransportation of Radioactive Materials	Organized by <ul style="list-style-type: none">Dr. NGP Arts and Science College, CoimbatoreKMCH College of Allied Health SciencesKG Institute of Allied Sciences
Organizing Committee <p>Chairman: Dr. B. Venkatraman, President, ISRP, Former Director, IGCAR, Kalpakkam Secretary: Dr. S. Chandrasekaran, Head, Health and Industrial Safety Division, IGCAR, Kalpakkam Convener: Mr. S. Balasundar, Former Radiation Safety Officer, IGCAR, Kalpakkam Co-Convener: Mr. D. Sivakumar, Assistant Professor & Head, Department of Medical Physics, Dr. NGP Arts and Science College, Coimbatore</p>	

Supported by

Join us to explore the radiological aspects of medical physics through expert insights, hands-on demonstrations, and interactive sessions.
